

UNION OF COMPOSITES MANUFACTURERS

Nauchny proezd, 8, stroeniye 1, Moscow, 117246, Russia. Tel/Fax: +7-495-984-7674. E-mail: info@uncm.ru, www.uncm.ru

**On November 24, 2011 is hold the 5-rd International workshop conference
“Composite materials: producing, application, market tendency”**

Organizer: Union of Composites Manufacturers, Russia

**Official Supporters: Russian Ministry of Industry and trade,
All-Russian noncommercial organization “Delovaya Russia”**

Aim:

- to consolidate the industry’s participants;
- to discuss mutually the results and problems of the industry;
- to get the actual information;
- to share the experience;
- to set a development path of the industry.

The basic subjects: Corrosion-resistant composites and materials for their production

- new developments in the market of raw materials and auxilliary materials,
- innovcations, modern technologies and equipment,
- IT-technologies,
- generation of geometry and tooling,
- technical regulation,
- application spheres.

Target audience:

- Enterprises’ specialists working in the sphere of production and application of composites;
- Specialists of branch science-research institutes and higher institutions;
- Independent experts, representatives of the social organizations and mass media.

About 150 representatives of the leading enterprises and industry organizations from Russia, Baltic countries, and Europe participate in this event annually.

A business program of the conference is usually formed taking into account current expectations and development tendencies of the industry as well as Your wishes and demands. That’s why we wait for the initiative offers by the main subjects of the conference and reports topics and the participation in this event of course.

The questions can be asked in the office of the Union of composites manufacturers:
Tel./fax: +7(495)984-76-74,
E-mail: info@uncm.ru

We would like to invite your company to take part in the conference.
